This is to certify that Nutri Natural Products have been reviewed and evaluated for quality, safety, and compliance with general cosmetic and personal care product standards.

After examination of the product formulations and supporting documentation, it is confirmed that the products meet acceptable quality parameters with respect to ingredient composition and safe intended use.

Certified By:

Dr. Ejaz Ahmad

PhD Chemistry

Certified Chemist

Date: 26-11-2025

*This certificate is issued for documentation purposes and reflects the assessment based on the information provided about the product formulations.*
